Dear Anne Howell:

Thank you for your letter dated November 13, 2009 outlining your interests and concerns with the proposed Woodlot 2020 in the Philpott Road area. I would like you to know that no decision has been made, nor is a decision imminent on whether to proceed with the tendering of proposed Woodlot 2020.

To assist in making the right decision, I would like to propose the opportunity to meet with you and concerned members of your community in order to continue sharing our mutual interests and to learn and explore these interests and opportunities within the Philpott Road area.

Please contact Richard Toperczer, Tenures Officer, to arrange an appropriate date, time, and venue to meet with Ray Crampton (Operations Manager), Richard, and I.

You may reach Richard at (250) 558-1733 or by email: Richard.Toperczer@gov.bc.ca.

Yours truly,
